

Kiss & Drive

Making it safer for our children

A few simple rules make it easier for everyone!

1. Always keep moving towards the first two Kiss & Drive bays.
2. Ensure your vehicle is stationary before you pick up/set down children.
3. Make sure that children only enter / exit through the left side doors of the vehicle.
4. If your child is not ready, *don't stop*, drive around the block and try again.
5. Leave home a little later; you may be able to drive straight up to the Kiss & Drive without waiting.
6. Children will wait in the school ground near the Kiss & Drive at the end of the school day.
7. The driver must remain in the vehicle.
8. If you need to stop to talk to a teacher or other parent, please park in one of the designated parking bays on Stevens Street or Painter Crescent.
9. Always be courteous to other road users.

The area around our school becomes extremely hazardous during the peak morning drop off and afternoon pick up periods.

This causes concern for parents and can be very distressing for the students, Your cooperation and patience is essential for the safe and efficient operation of the Kiss & Drive. Some bays in Painter Crescent have been specially marked and identified as the "Kiss & Drive". This area is for the set down and pick up of students.
