FROM THE PRINCIPAL...
Hello Parents and caregivers. If you blinked, you may have missed Term 2, it has gone by that quickly! The final class-based assembly for the term was presented last week by the children from Room 2 who put on a stunning presentation of Goldilocks and the Three Bears. The children were so confident and funny that the audience was in stitches. Congratulations to the wonderful Year 2 children for their talent and dress sense and of course to Mrs Tonkin for her amazing assembly coordination.

CARPARK BLUES
It is with some concern that I advise parents of certain nefarious activities taking place on the school grounds in recent evenings. I have been advised by people living close to the school that there have been cars meeting late at night in the staff carpark and the Mundaring police have confirmed that they recently caught some people smoking illicit substances while parked on site. Both the Mundaring Police and Education Security are patrolling the area more frequently at the moment but have asked that parents and neighbours be on the lookout for unusual activity on the school site after dark. If you notice anything suspicious, it is very important that you do not approach these people but report this to the Police on 131444 or Ed Security on 92644771.
I would also recommend you check out the Mundaring Police Twitter account to keep informed of incidents in the local area. Their Twitter address is @MundaringPol or if you prefer the web at https://twitter.com/mundaringpol

SPORTING SCHOOLS PROGRAM
Once again we have completed another terrific term of after school sports thanks to the hard work and dedication of staff members Mrs Dent, Mr Tinniswood, Miss Lorantos, Mrs de Jong and Miss Boud. I know the students enjoyed the sessions and have developed additional skills because of this free program.

Parents are reminded that in the case of financial hardship, the school offers alternative payment arrangements with all requests handled in a strictly confidential manner.

Firewood Raffle

A big thank you to everyone who helped out selling tickets for our wood raffle on Saturday. It was great to have a couple of new parents helping, along with the usual helpers.

We raised $1624 to go towards the school’s wish list of numeracy and literacy resources.

Thank you to the George family for once again donating the wood and Ryan Locke and Andy Thompson for cutting and splitting it.

The raffle was won by Michelle of Mt Helena who was very grateful to receive a trailer-load of dry split jarrah.
