INTERSCHOOL SPORTS SUCCESS
Last week saw our school take part in the inaugural Hills Education Community Sporting Association (HECSA) interschool athletics carnival and what a huge success it was. Our students did very well indeed, with the school coming in a respectable third out of 6 schools. While we didn’t win the whole carnival, we did actually gain the most points for the sprint and relay events which have been a focus of our sports program this year.

It must also be said that our school team received many plaudits for their behaviour and sportsmanship on the day, which supports the whole concept that primary sports is not just about winning.

Congratulations to the students who took home ribbons on the day and to all students who represented Mundaring at this event. Well done also to Mr Tinniswood for his awesome coordination of this major interschool event.

END OF YEAR CONCERT - PARENT INTENTIONS
As parents would be aware, I sent a letter home last week requesting information regarding your intention to attend the annual evening concert later in the year. The concert is currently planned to take place on Friday 2nd December at 6:30pm but this may change if the response to the parent intentions request results in insufficient interest in or ability to attend the evening concert.

I originally asked for the forms to be returned by Friday 11th Nov. (today) but I have extended this deadline to Monday 14th. Please support us in making the best decision on this matter by returning your form by Monday.

MUNDARING PS APP AVAILABLE!
Parents are reminded that the school App is available for download to both Apple and Android (eg: Samsung) devices.

The ‘Updat-ed’ App is linked to our school’s website and can be downloaded from either the Apple Store or Google Play. When you first attempt to use it you will be asked to select your school and enter relevant details to identify who you are. From then on you will be included in all of our App based communications.

With more than half of our families already registered for the App, we will be increasing our use to alert Parents of new items, key dates and urgent messages, so please support this initiative by downloading the relevant App for your device.
